

# Carradale Hotel

Wee Scottish Plates was designed to allow you to sample a selection of dishes and, given the nature of the past year, encourage everyone to share (this is of course optional!). We recommend that for a main meal you order 2 or 3 dishes per person. Dishes will arrive as they are ready so please just get stuck in as soon as they are at your table. Our entire ethos here is for you to relax and enjoy yourself so if you would like to order more dishes or are unsure of anything then please just ask.
